WI-MI

National competition Croatia

WP5 Wi-Mi Award Framework and Award Competitions aimed at creating Award criteria & Award process and integrated them into educational programme by organizing national competitions. Primary school Glina organized National competition on May, 9th 2025. 14 teams applied for the competition but only 11 teams sent their presentations. Participating students were from 11 to 14 years old and the teams were made of 4 members each. The competition was held in Primary school Glina. There were 44 contestants all together.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

During the competition all 11 teams presented their ideas how to reduce impact of climate change on our local community. Students came up with several great ideas that will be presented to local authorities.
