

WI-MI

Co-working session

The Wi-Mi Co-working session held from 7th to 9th October 2024, brought together participants from six different countries, representing a diverse range of perspectives. The majority of attendees came from Romania (8 participants), followed by Austria and Portugal (6 participants each). Other countries represented included Turkey, Croatia, and Bulgaria, with 4 participants each. This diverse mix of participants contributed to a rich exchange of ideas, fostering an inclusive and collaborative learning environment that enhanced the session's overall impact. After attending co-working session educational professional will be able to implement all WP3 materials into their educational process.
