OPEN: WIDE MINDS WILL FIND ECO-VIRTUAL STEAM SOLUTIONS TOWARDS CLIMATE CHANGE

2nd TMP Highlights!

- **Project Progress Review:** overview of activities completed under WP2
- **WP3 Forming CSP Training Toolkit:** presentation of activities by WP leader ESICA (pedagogical strategy, environmental tips, practical visual tools, co-working session, etc.)
- **WP4 & WP5:** overview of the WP
- **Project Management & Coordination:** updates on reporting procedures and timelines, budget and financial tracking, quality assurance and project monitoring, review of ongoing *dissemination activities* as well as Guidelines for dissemination reporting

In addition to the working sessions that was an introduction session to WP3, partners enjoyed a warm and welcoming social dinner, generously organized by the host. On the second day, participants had the opportunity to explore Vienna during a guided sightseeing tour, and visit Austrian Parliament. These moments helped strengthen the bonds between partners and enriched the collaborative spirit of the WiMi project.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.
